Dear Mr. Campbell:

On June 26, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Datagraphic, now Printegra. The purpose of the inspection was to determine Printegra's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Printegra was issued Letter of Deficiency No. WMD 02-31 ("LOD"). Based upon a review of Printegra's submittal received November 14, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Printegra's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Eric K. Abrams or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
Waste Management Programs
Waste Management Division
